FIFA Ultimate Team has been completely redesigned. Take your favorite real world clubs and players and create your dream squad in over 300 teams to compete in 8-a-side matches in three different game modes. From free kick challenges and shooting and movement drills, to 5v5 training matches and team tactics, FIFA Ultimate Team gives you more ways than ever to play, with the biggest and most beloved clubs in the world and their superstars. The FIFA ULTIMATE TEAM game mode is based around the card collecting mechanic where the players' ability to collect packs of cards representing each club they play with is what makes the player and team dynamic. The game mode will feature new weekly and seasonal tournaments and content to provide an added flow to the mode. FIFA TOURS - FIFA TOURS is a competitive experience that is geared towards players who are looking to find a competitive environment. After game play, players are able to compete with friends via FIFA TOURS and this is how they earn rewards and compete for the title of top FIFA TOURS scorer. As well as competitive FIFA TOURS matchmaking, FIFA TOURS online leagues will be available where players can compete in a league against other players using the same team of 12 players. INTERFACE A completely new and intuitive user interface will be implemented throughout FIFA 22, allowing for seamless access to your squad, game modes, detailed team information and your stats. Upon starting a career mode game, a series of tutorials, known as the Road to Glory, will be played to ensure that players are familiar with all aspects of the game mode while playing and winning a game. Teams are now able to talk and converse in a more authentic and realistic way. Players can talk with their teammates, relay useful information with text and voice communication as well as share stadium photos in standard messages that will be shown to the manager. 5v5 training matches have been completely reimagined. Emphasis has been placed on giving players more than just a one-sided practice environment. Training matches now offer tactics, instructions, advice and player instructions via instructional videos, allowing players to get that much needed advice and tips on how to become the best you can be. In addition to the experience and tips from your teammates, manager and opponents, you are also now able to view crucial match stats, such as possession, shots, tackles, crosses and key passes, in FIFA Ultimate Team, Career and Offline Tournaments with all-
